## How to order a rubber stamp ...made easy

Welcome to One Creative. As designers, we're interested in 'what works for you' and what works for those you want to communicate with.

For years we have been collating information and have come up with the simplest way to order the most effective rubber stamp to suit your purpose.

Following are two documents to help you select your stamp; An information Sheet and an order form.

Simply follow the steps illustrated on the information sheet and the order form. Please ensure that you write clearly and complete all sections and fax it back to us. You can look forward to having your rubber stamp within 2 to 3 days.

Please note that we can help you with logo's and artwork, however, should you require this service, design costs will be applied to the price of your stamp.

Thank you for your business. We look forward to being of further service to you.
