

Cats

Working with creative people is always fun and that's one reason we've enjoyed our long association with Willoughby Theatre Company.

One Creative design and print WTC's programmes and publicity material. It's always interesting work, especially when they take on a production like Cats, a musical that "needs little introduction and has been a very successful musical whenever staged," according to WTC President, Barry Springett.

Cats opens this week and will be WTC's 97th production and their final show in Chatswood's Bailey Hall. From what we can tell, it's going to be huge and well worth attending, but then, so are all WTC productions.

Arguably one of Sydney's most successful theatre groups, we congratulate Willoughby Theatre Company on reaching their 50th year and would like to thank them for allowing us the opportunity to work with them on these exciting productions.

If you'd be interested in seeing what will undoubtedly be a fantastic musical, please contact Willoughby Theatre Company on 1300 737 363 or book online at www.willoughbytheatreco.com.au
